

“SIGNAL 100” BENEFIT BBQ FOR OFFICER BILL BROWNING JUNE 20, 2009 3:00PM-11:00PM

On Feb. 27, Officer Browning was off-duty and visiting a friend and fellow officer's home where he fell 30 feet off a ladder while cutting down trees. He was rushed by Life Star to Waterbury Hospital. He endured nearly eight hours of surgery and was later transferred to Gaylord Rehabilitation Center in Wallingford, CT. Officer Browning has now returned home where he has been left partially paralyzed from the waist down and unable to walk without the assistance of leg braces and a walker or wheelchair. Officer Browning needs your help on his road to recovery! Please join The Ridgefield P.B.A. At the Ridgefield Playhouse in an afternoon of fun, food, and great music to raise money for Officer Browning and his Family!
